RE: Duke Energy Progress, LLC's and Duke Energy Carolinas, LLC's Establishment of Solar Choice Metering Tariffs Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket Nos. 2019-169-E and 2019-170-E)
Docket Nos. 2020-264-E and 2020-265-E

Dear Ms. Boyd:

Please find enclosed for filing in the above-referenced dockets a Stipulation between Duke Energy Carolinas, LLC ("DEC"), Duke Energy Progress, LLC ("DEP") and the South Carolina Office of Regulatory Staff ("ORS"). The Stipulation fully resolves the concerns regarding additional tracking and reporting requirements that ORS raised in its Petition for Rehearing and/or Reconsideration ("Petition"),¹ and ORS respectfully requests that the Commission approve and adopt the Stipulation.

In light of the Stipulation, ORS respectfully requests to withdraw its request made in its letter dated June 21, 2021, for oral argument to address the reporting requirements ORS recommended in its Petition. ORS submits that allowing ORS to withdraw its request for oral argument and canceling the oral argument scheduled for September 8, 2021, in the above-referenced dockets while the Commission considers the Stipulation is in the interest of administrative economy.

¹ See Petition filed with the Public Service Commission of South Carolina on June 9, 2021.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'A. M. Bateman', with a stylized flourish at the end.
